Version: 1.6.a

Last Modified Date: 22nd September 2025

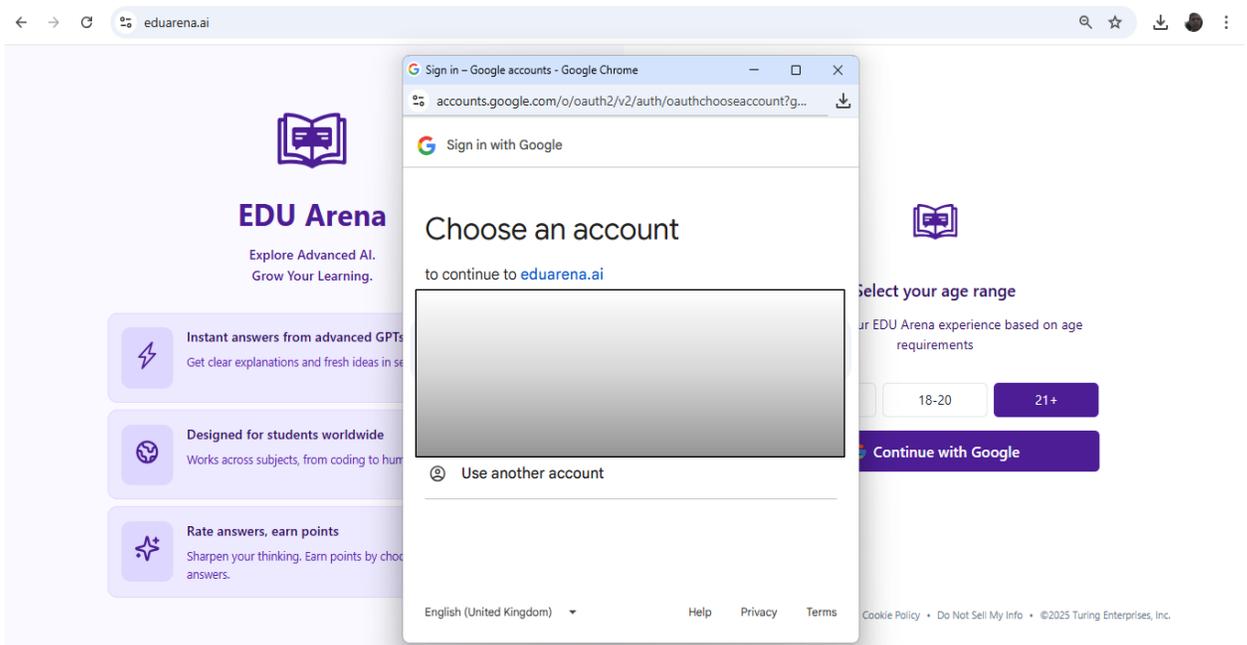

Prepared by: Product Team

1. Click Learn Now- for continuous Learning & evaluation

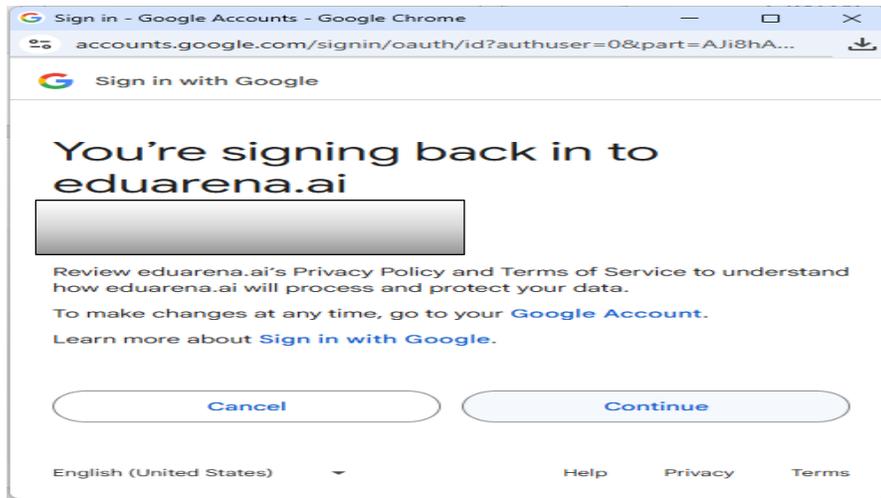

a) For students select age **18-20** and for faculty please enter 21+.

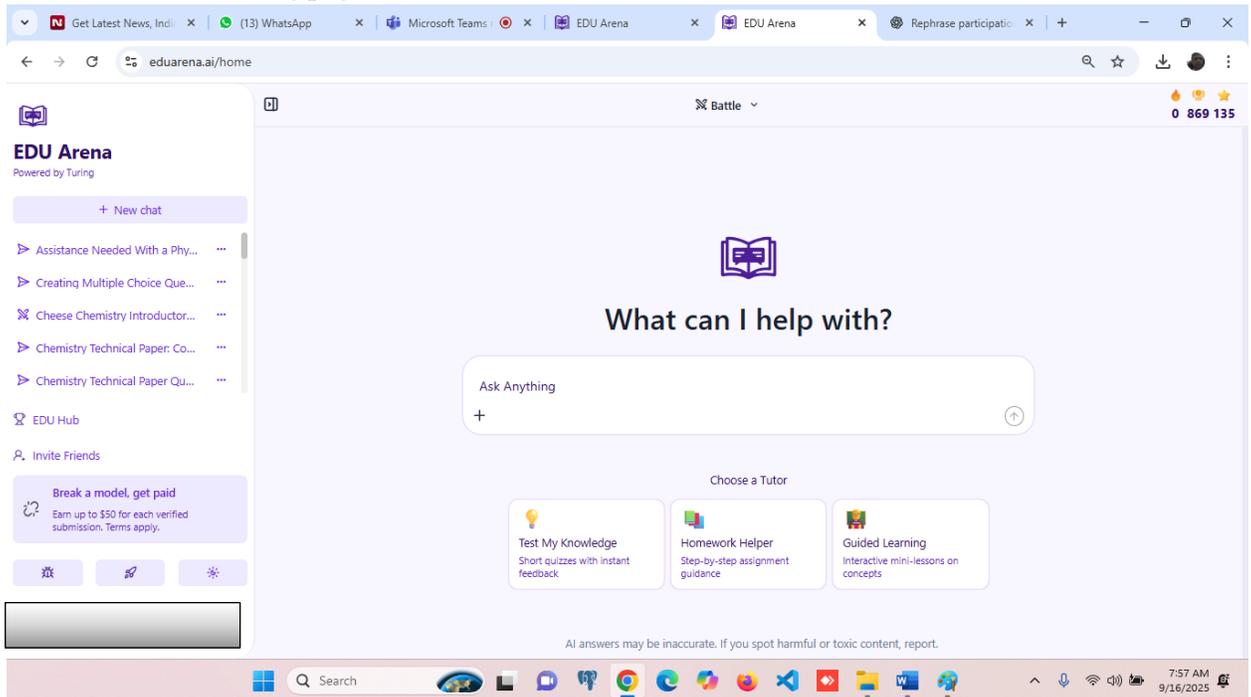

b) Then select a google mail id

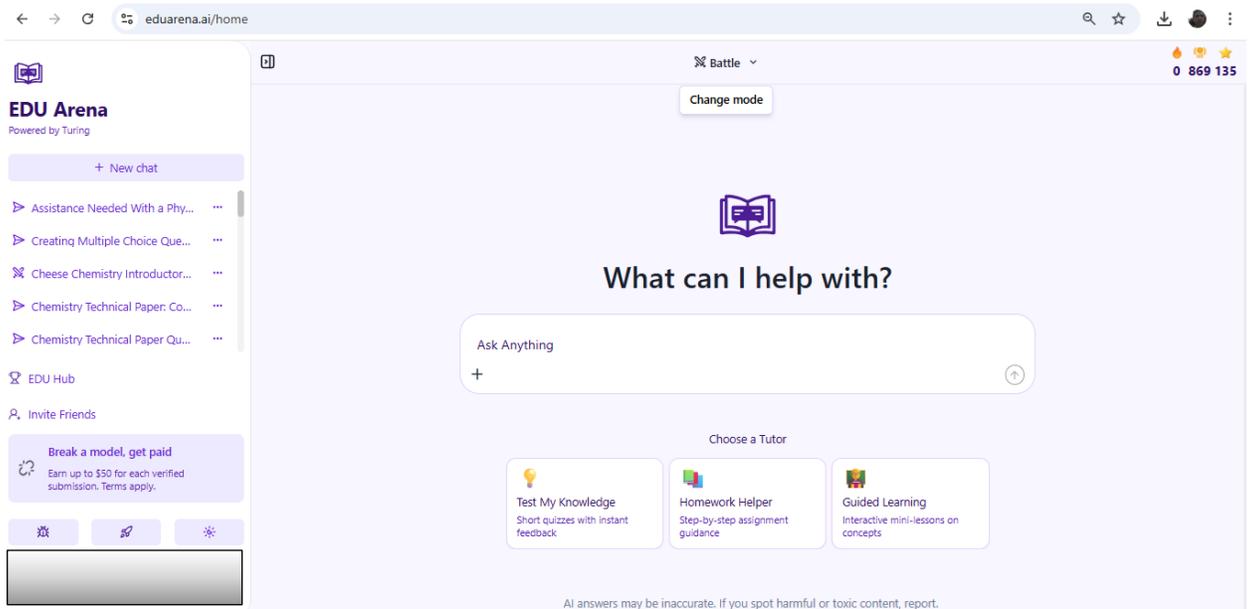

c) Please click continue -

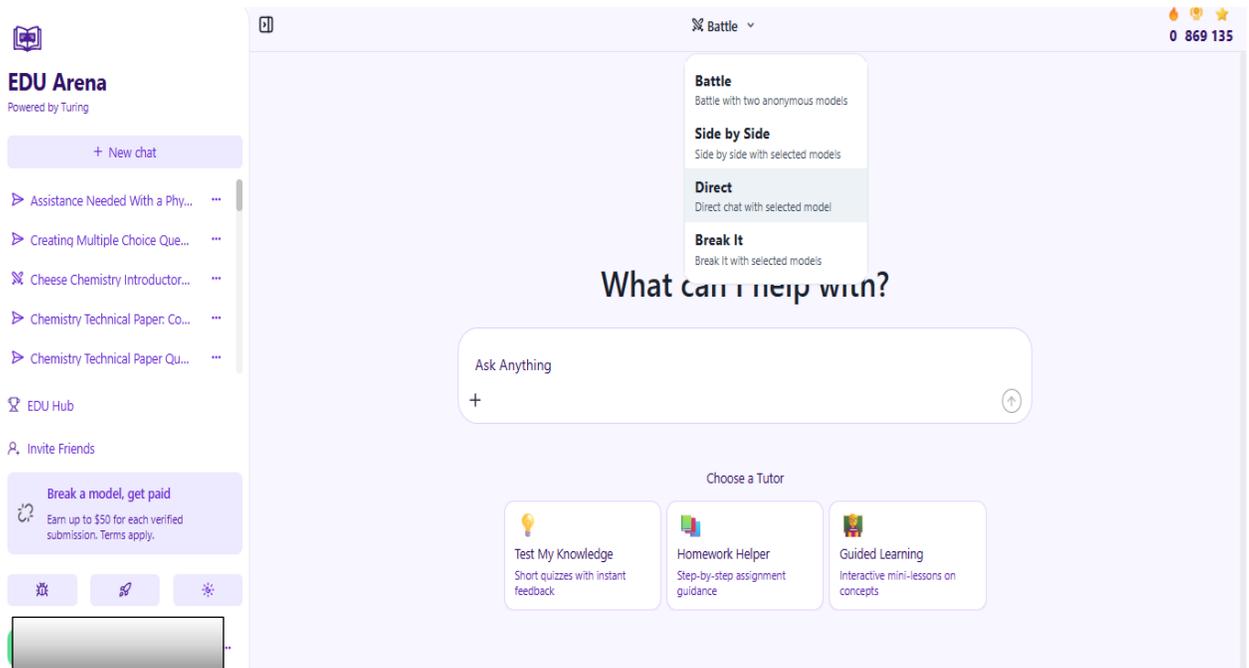

d) You will come to landing page like below.

2. **For First Timer** as a student – Prefer Test my Knowledge , Homework Helper, Guided Learning. So First change the mode to Direct

3. **Select mode – Direct**

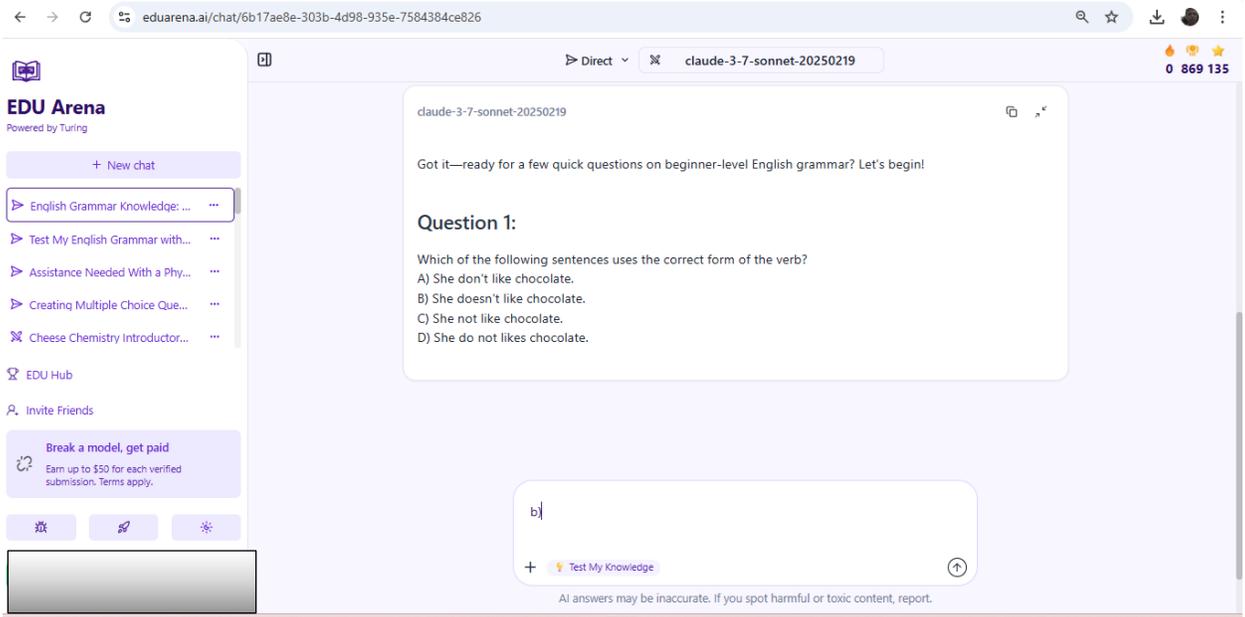

4. Select Test my Knowledge – You can ask following prompt

The screenshot shows the EDU Arena chat interface. The user's prompt is: "Please give me 05 multiple choice question on my english grammar knowledge one by one based on my standard". Below the prompt, there is a button labeled "Test My Knowledge". A blue arrow points from a text box below to this button. The text box contains the text: "Click on this- you will".

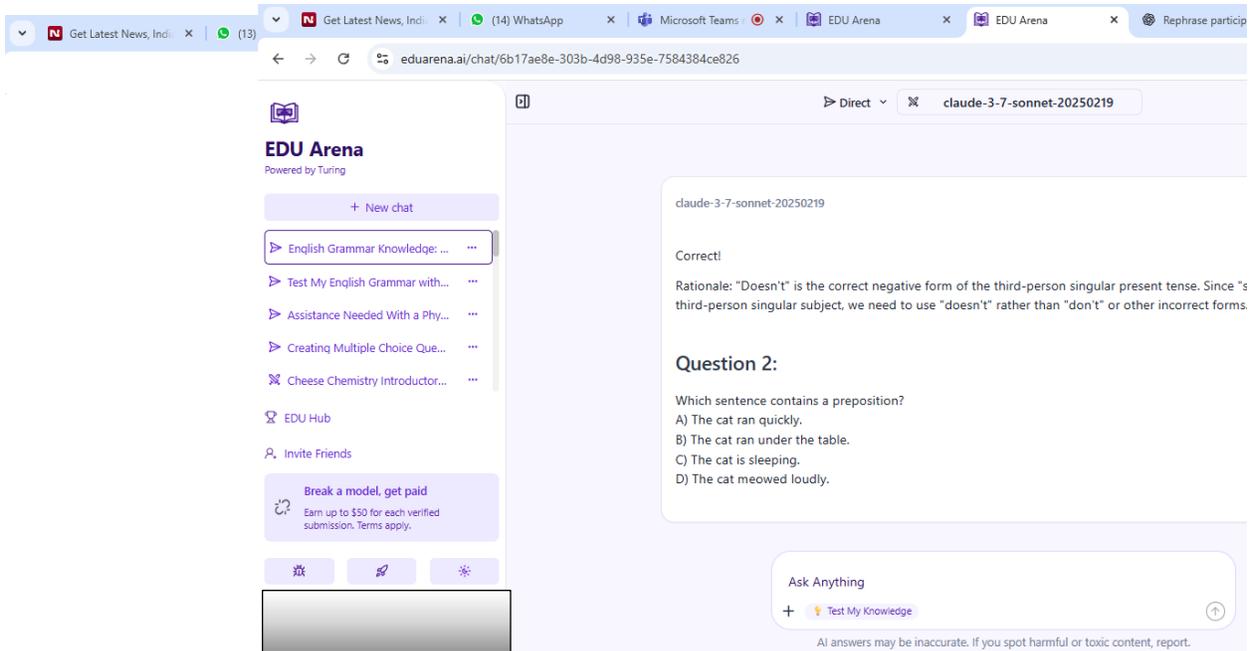

5. Click on the icon like above icon you will get following response

The screenshot shows the EDU Arena chat interface with the AI's response. The user's prompt is: "Please give me 05 multiple choice question on my english grammar knowledge one by one based on my standard". The AI's response is: "Got it—ready for a few quick questions on English grammar? Let's begin! To better customize this quiz, could you tell me: 1. What difficulty level would you prefer (beginner, intermediate, or advanced)? 2. Are you a student, and if so, what grade/year are you in? 3. Would you like to receive the rationale after each question or all at the end?". Below the response, there is a text input field containing "choose beginner". A blue arrow points from the text box in the previous screenshot to this input field. The text box contains the text: "Click on this- you will".

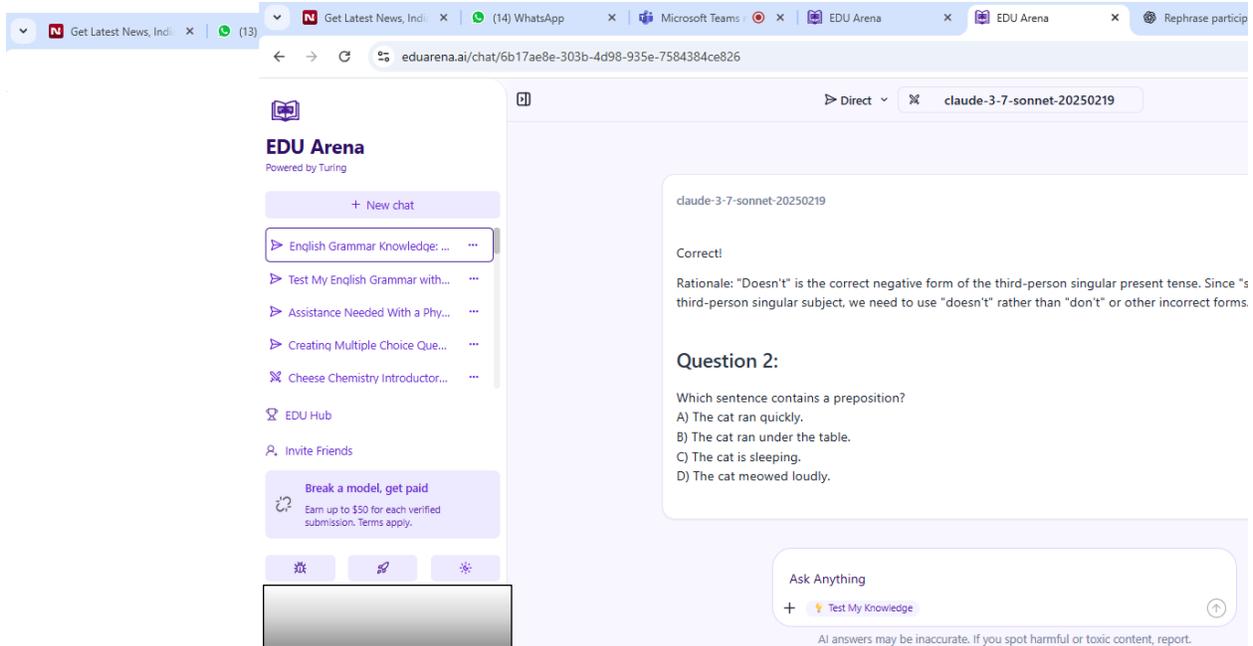

6. Choose beginner or intermediate or advanced and Click on the icon like above icon you will get following response. I have choose beginner

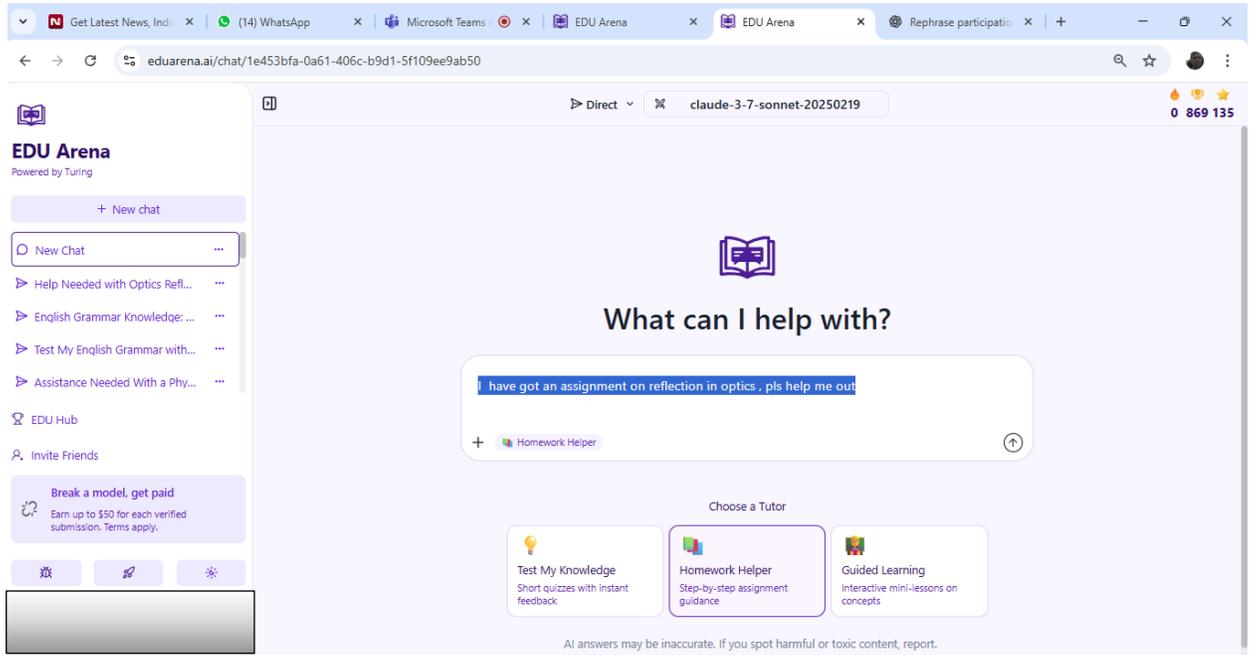

7. Answer b) – Detail

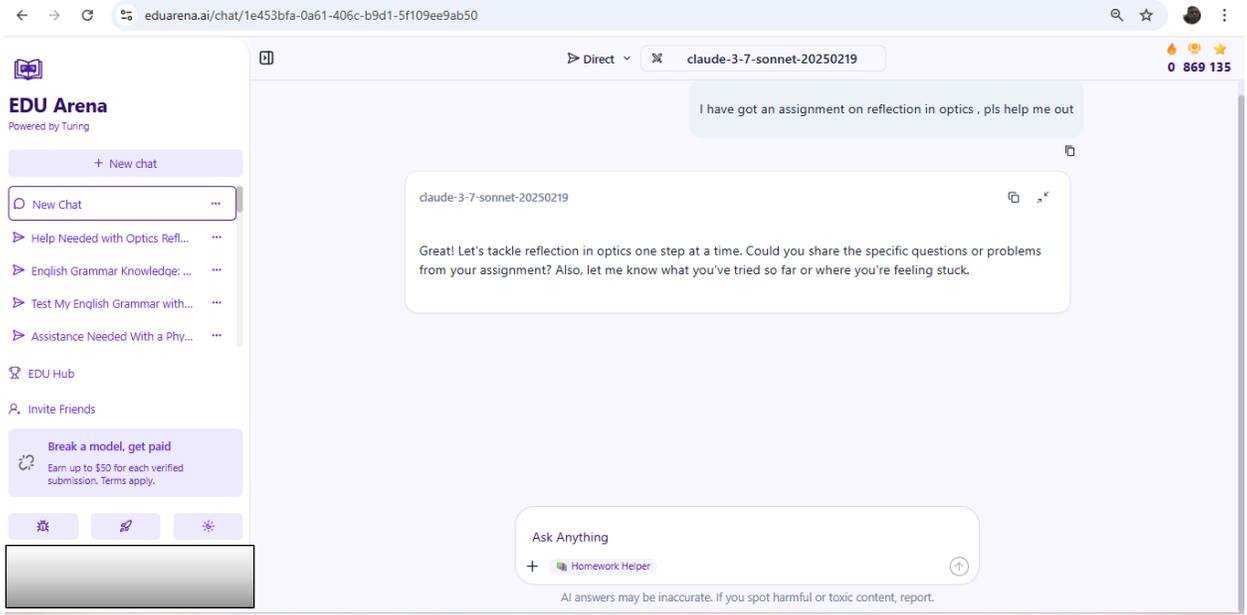

9) Please see the answer in detail and try one by one more questions.

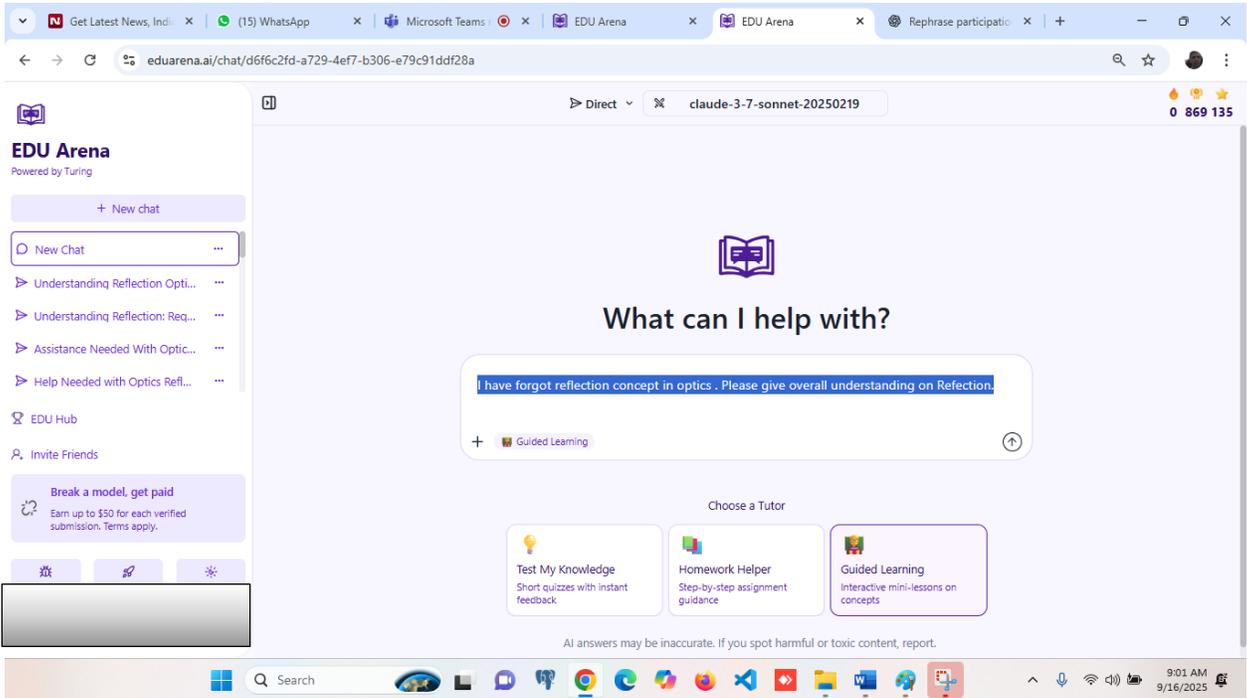

8. Please click new chart left top menu to use either **Homework helper/Assignment Helper and Guided Learning**. So I tried. **Homework Helper** with “**I have got an assignment on reflection in optics, pls help me out**”

9. Please check answer and interact with AI homework helper to get your solution

10. Now let us explore guided learning click new chat and select guided learning. I have forgot reflection concept in optics . Please give overall understanding on Refection.”

11. Please look into the answer below.

The screenshot shows the EDU Arena chat interface. On the left is a sidebar with the EDU Arena logo, a '+ New chat' button, and a list of chat topics including 'Optics: Understanding and Re...', 'Understanding Reflection Opti...', 'Understanding Reflection: Req...', 'Assistance Needed With Optic...', and 'Help Needed with Optics Refl...'. Below the list are links for 'EDU Hub' and 'Invite Friends', and a promotional banner for 'Break a model, get paid'. The main chat area has a header with 'Direct' and 'claude-3-7-sonnet-20250219'. The chat content includes a title 'Understanding Reflection in Optics' and a prompt: 'To start, what do you already know about reflection in optics, and how deep would you like to go? Examples: '2-minute overview', 'teach like I'm in 10th grade', or 'grad-level with equations'—choose one or tell me yours.' At the bottom is an input field with the placeholder 'Ask Anything' and a 'Guided Learning' button.

12. I have answered “ 02 minute overview”

This screenshot is identical to the one above, but the input field at the bottom now contains the text 'yes give me 02 minute overview'. The rest of the interface, including the sidebar and chat content, remains the same.

13. Please check answer

The screenshot shows the EDU Arena chat interface. On the left is a sidebar with the EDU Arena logo, a '+ New chat' button, and a list of chat topics including 'Optics: Understanding and Re...', 'Understanding Reflection Opti...', 'Understanding Reflection: Req...', 'Assistance Needed With Optic...', and 'Help Needed with Optics Refl...'. Below the list are links for 'EDU Hub' and 'Invite Friends', and a promotional banner for 'Break a model, get paid'. The main chat window displays a message from 'claude-3-7-sonnet-20250219' with the following content:

Reflection in Optics: 2-Minute Overview

Basic Concept

Reflection is when light bounces off a surface instead of passing through it. Think of it like a ball bouncing off a wall.

Key Laws

- **Law of Reflection:** The angle at which light hits a surface (incidence angle) equals the angle at which it bounces off (reflection angle)
- Both angles are measured from the normal (perpendicular) to the surface

Types of Reflection

- 1. **Specular reflection:** Occurs on smooth surfaces like a mirror, scattering light in many directions.
- 2. **Diffuse reflection:** Occurs on rough surfaces like a wall, scattering light in many directions.

Below the chat window is an input field with the placeholder text 'Ask Anything' and a '+ Guided Learning' button.

The screenshot shows the EDU Arena home page in a browser window. The browser's address bar shows 'eduarena.ai/home'. The page features the EDU Arena logo and a 'Powered by Turing' tagline. A '+ New chat' button is visible. Below it are links for 'can you creat image' and 'New Chat'. The main content area is titled 'What can I help with?' and includes an 'Ask Anything' input field. Below this is a 'Choose a Tutor' section with three options: 'Test My Knowledge' (Short quizzes with instant feedback), 'Homework Helper' (Step-by-step assignment guidance), and 'Guided Learning' (Interactive mini-lessons on concepts). At the bottom, a disclaimer reads: 'AI answers may be inaccurate. If you spot harmful or toxic content, report.'
